

Colleagues,

As you know, the U.S. Chamber of Commerce Foundation sponsors the Hiring Our Heroes Job Fairs taking place around the country. To date, they have hosted over 400 hiring fairs in all 50 states, Puerto Rico, and the District of Columbia. The U.S. Department of Veterans Affairs is a partner with the Chamber for these events through a Memorandum of Understanding, signed by Secretary Shinseki. Please know the companies attending these fairs are real employers with real JOBS. In fact, over 14,100 Veterans and military spouses that we know of have obtained jobs through their events. As “Hiring Our Heroes” moves into their 2013 schedule, the excitement and momentum of these job fairs has gained tremendous attention.

Employers looking to hire Veterans, check here to see when the next Hiring our Heroes event will be near you. <http://www.uschamber.com/hiringourheroes/events>

Veterans seeking employment should register and attend these free events. In addition to jobs, the Hiring Our Heroes event and schedules include on-site employment workshops, Veteran service providers, information referral, and other local resources. Each event is tailor-made and designed for that particular community, bringing national, state and local resources together to help Veterans and their families. Both Employers and Job seekers should sign up early as spaces go quickly!
