

Colleagues and Fellow Veterans:

We are excited to share with that on November 14th, Disney is offering a free 'Veterans Institute' Workshop to encourage and support hiring of military Veterans. Disney will share expertise of its 'Heroes Work Here' initiative with small- and mid-sized companies to help them build their own Veteran-hiring programs. The complimentary one-day seminar at Walt Disney World will feature an array of experts, classes from the Disney Institute and the tools, policies and networks used in the Disney Veteran program. At the close of this workshop, participants will have an entire Veteran staffing program that can be implemented immediately.
