Dear Higher Education Executive:

VA is pleased to announce that the Post-9/11 GI Bill Yellow Ribbon Program open season for the 2021-2022 academic year will run from March 15th through May 15th. During the open season, institutions can: (1) Request participation in the program, (2) Modify participation in the program, or (3) Withdraw from the program.

Institutions considering initial or continued participation in the Yellow Ribbon Program should review the Yellow Ribbon Program Agreement and Frequently Asked Questions (FAQs) at the Yellow Ribbon Program website: http://www.benefits.va.gov/gibill/yellow_ribbon/yellow_ribbon_info_schools.asp

The recent passage of Public Law 116-315, Section 1008, "Technical Correction to Clarify Eligibility for Participation in Yellow Ribbon Program of Department of Veterans Affairs," will allow foreign schools to participate in the Yellow Ribbon Program. VA is working to implement this section of the law and will post information specifically for foreign schools in the near future on the application process for academic year 2021-2022.

Institutions with existing Yellow Ribbon Program Agreements

Please review your current agreement to determine whether any modifications are required. You may view the terms of your current agreement at the Yellow Ribbon Program site and selecting "2020 - 2021 Yellow Ribbon Participant List" at:

The Yellow Ribbon Program agreement is an open-ended agreement. Existing agreements will remain valid until modified or withdrawn. If your institution does not modify any information previously provided or withdraw from the program, no further action or communication is required. If your institution
