The interface features a purple header with the "VA ONCE" logo and "administrator" text. A green bar displays "VA Data" for a student named "CLAVEN, CLIFF COOL", with fields for "Name", "SSN", "File/Payee:", "Program: MA-HISTORY", "Chapter: 30", and "Training Type: Graduate". A "Print" button and a "Student" dropdown menu are also visible. Below the header is a navigation menu with tabs for "Bio", "Certs", "VA Data", "Log", and "History". The main content area displays the message "Student has opted out. No VA Data will be displayed for this student" with a blue arrow pointing to it. ❖ *Rate Tables available in WEAMS*

Section 107

Calculate housing based on location of the campus where individual attends the majority of classes – August 1, 2018

- Requires VA to calculate the Monthly Housing Allowance (MHA) under the Post-9/11 GI Bill based on the location of the campus where the individual **physically attends** the **majority** of their classes
- MHA will no longer be based on the “Institution” location of the school where the individual is enrolled
- Applies to all new terms beginning on or after August 1, 2018

Section 107: **Current** Enrollment Submission Process

- Schools submit the student's enrollment information through VA-ONCE.
- MHA is calculated using the zip code attached to the facility code where the student is enrolled.
- In a single term, if the student physically attends multiple schools or a school with multiple facility codes (a "guest school" relationship), the facility code with the higher MHA is used.

Section 107: **Future** Enrollment Submission Process

- Under the Post-9/11 GI Bill, starting August 1, 2018, VA will calculate MHA based on the location of the campus where the individual **physically attends** the **majority** of their classes.
- A student's MHA will no longer be based on the zip code of the facility the student is attending. It will be based on the zip code where the student physically attends the majority of their classes.

Section 107: The Definition of “Campus”

“Campus” has been interpreted to mean any place an individual spends the majority of their time training for their program of education.

This definition of campus includes:

- The individual campus of a school where the student is taking classes (i.e. the school’s science center, humanities building, or athletic center)
- The physical location where a student is learning in a study abroad program
- Any internship, externship, practicum or student teaching site
- There is no change in how the MHA is paid for On-the-Job Training and Apprenticeship sites at this time.

Section 107: Updates to VA Systems

- The systems potentially being updated as a result of Section 107 are:
 - ✓ VA Online Certification Enrollment (VA-ONCE)
 - ✓ Long Term Solution (LTS)
 - ✓ Web Enabled Approval Management System (WEAMS)
 - ✓ GI Bill Comparison Tool
- The projected date for these system updates is **July 2018**

Section 107: Update to Certification Submission

- It is no longer mandatory to hold enrollment certifications.
- If you do submit now, please be aware you may need to resubmit later if the student was taking classes in a zip code other than the location associated with the enrollment certification.
- We will update this announcement as more information becomes available.

Section 107: Approval of Sites by the State Approving Agency (SAA):

- Schools will need to provide their SAA of jurisdiction and VA an updated copy of their catalog (or a catalog addendum) which specifically lists each campus of the school and provides the zip code for that campus.
- VA will be actively engaging with SAAs and schools to see how schools can identify and provide the zip code information for each of the schools' internship, externship, practicum and student teaching sites.
- **The expected deadline for all schools to provide updated catalogs or catalog addendums to their SAA is August 2019.**

Payment Scenario #1: Equal Credits at Different Campuses

- A student is taking **6 credits** at a school's main campus in New York City (Zip Code:10001 – **MHA Rate: \$3,669.00**).
- The student is taking **6 credits** at the school's science campus on Staten Island (Zip Code: 10309 – **MHA Rate: \$2,724.00**).
- When a student is taking an equal number of classes at two locations, VA will pay the higher MHA rate.

This student would be paid at the MHA rate of the main campus: \$3,669.00.

Payment Scenario #2: Change in Credits

- A student is taking **9 credits** at a school's main campus in New York City (Zip Code:10001 – **MHA Rate: \$3,669.00**).
- The student is taking **9 credits** at the science campus on Staten Island (Zip Code: 10309 – **MHA Rate: \$2,724.00**).
- **This student would be paid the MHA rate of the main campus: \$3,669.00.**
- Midterm the student drops **3 credits** from the main campus.

Effective the date of reduction, the student would be paid the MHA rate of the Staten Island campus: \$2,724.00.

NOTE: There are no changes in processing rules or the establishment of debts. If a school does not notify VA of a reduction until the end of term, VA will retroactively correct the student's account and establish all debts. (E.g. If the student above reduced one month prior to the end of the term, but the school failed to report the drop until the end of term, then a MHA debt of \$945.00 would be made for the student).

Payment Scenario #3: Different Campuses + Online Classes

- A student is taking **3 credits** at a school's main campus in New York City (Zip Code:10001 – **MHA Rate: \$3,669.00**).

- The student is taking **6 credits** online (**MHA Rate: \$840.50**).

NOTE: MHA rate is based on physical attendance. If a student is taking at least one credit in-residence, they will receive the in-residence MHA rate and not the online training MHA rate.

This student would be paid at the MHA rate of the main campus: \$3,669.00.

Payment Scenario #4: Equivalent Credit Hours

- A student is taking **7 credits** at a school's main campus in New York City (Zip Code:10001 – **MHA Rate: \$3,669.00**) during the Fall Semester (8/20/18-12/12/18).
- The student is taking a “mini-mester” **4 credits** at the school's science campus on Staten Island (Zip Code: 10309 – **MHA Rate: \$2,724.00**) running from 9/17/18 – 10/17/18.

Period Paid	Rate of Pursuit	MHA Amount Due to Student
8/1/18 - 9/16/18	.60	2,201.40 (3669.00 * .60)
9/17/18 – 10/17/18	Full	2724.00
