Key Changes

Key Changes

The Department of Veterans Affairs (VA) announced key changes on November 28, 2018, in the processing of GI Bill benefits payments under the Harry W. Colmery Veterans Educational Assistance Act of 2017 (Forever GI Bill).

Changes required by this legislation impacts the rate of housing students should receive and the location where the rate will be based upon.

VA has been working diligently to implement the changes required by this law and had anticipated completion by August 1, 2018; however, this did not occur. Therefore VA is delaying implementation of Sections 107 and 501 until Spring 2020.

Cost of Living Adjustment (COLA) for Academic Year 2018-2019

What does this mean for you?

- The housing payment received for your term that began on or after August 1, 2018 were paid at the 2017-2018 academic year rates
- VA installed the 2018-2019 academic year VA housing rates in December 2018 (COLA is retroactive to August 2018)
- Many students' housing rate will be equal to or higher than their current payment
- Students who were underpaid will be corrected retroactively

Note: COLA adjustments are conducted annually. DoD adjust rates in January, and VA adjust rates in August.

Section 107- Calculate
Housing Based on Location of
the Campus where the
Majority of Classes are taken

Section 107

- Requires VA to calculate the Monthly Housing Allowance (MHA) under the Post-9/11 GI Bill based on the location of the campus where the individual physically **attends** majority of their classes
- This change in law applies to all new terms beginning on or after August 1, 2018
- MHA is currently based on the “main campus” location of the school where the individual is enrolled.
 - VA will continue to pay this way until Spring of 2020
 - VA will also correct retroactively any underpayments
- VA will be communicating any changes and updates to student Veterans, Servicemembers, dependents, and schools
