*Version 1.1*

**August 2022**

**Department of Veterans Affairs  
Office of Information and Technology**

# 1.0 Release Notes for LGY Suite - LGY 22.9.0

## Release Notification

**From:** LGY

**Version:** 22.9.0

**Production Deployment Date:** August 29, 2022 @ 8:00PM CT/9:00PM ET

**Focus of Release:** The areas of focus for the LGY22.9 release include updates to WebLGY and LGYHub screens to populate the VA Form 26-1805 form to include POC fields in LGYHub for assignment details and summary screens which include name/phone number/email address to support service to Tidewater, corrected issues with data display on VA Form 26-1805, and sorting for the document history in the Oversight Gear in LGYHub.

## 1.1 Enhancements

Key	Component	Summary
LGY-1311708	C&V	The enhancement continued implementing updates to VA Form 26-1805 Form by adding new POC and other fields to the RA screen in WebLGY. These new fields will also display on the Review/Update screen. At this time, the new fields will not be required to submit an appraisal request, but without data, those fields will remain empty on the form and in WebLGY.
LGY-1331242	C&V	This enhancement displayed the newly created POC fields on the Assignment Details screen of LGY Hub. These fields included Name, Phone Number, and Email Address for Tidewater, Builder Sales Office, Buyer Agent, and Seller Agent points of contact.
LGY-1328606	C&V	The enhancement corrected issues with the data display on the VA Form 26-1805, Request for the RDV. This will allow all appraisal stakeholders to view important information on the VA Form 26-1805 Form.
LGY-1326074	LGY Hub	The enhancement will allow the user to select pagination options for how many records are viewed at a time on the Document History table.

# Annex
