IMPORTANT NOTIFICATION

Effective Immediately, There Will Be No More Paper Government Checks. Payments Must Now Be Deposited Electronically Into Your Bank Account.

This is to inform you that, based on new U.S. Treasury regulations, we will no longer be permitted to send out paper checks for your Insurance payments. The Treasury will only send payments by Direct Deposit (which your bank may refer to as Electronic Funds Transfer or EFT).

This means that if you send us an Insurance application that requires us to send you money (For example: loans, cash surrenders, dividend withdrawals or claims for death benefits), you will have to provide us with your banking information. This is a mandatory requirement of the Treasury Department.

In order to set up Direct Deposit you must send us the following information:

If you will be using your checking account, send us:

- A copy of a voided check (Your name must be on the account)

IMPORTANT: For identification purposes, please write the Insurance File Number on the voided check or any other information sent to us.

If you will be using a savings account, send us:

- Your bank's name and address
- Your bank's routing and transit number
- Your bank account number

We know this may be an inconvenience but this information is mandatory based on U.S. Treasury Regulations and all government agencies must comply. Thank you for your cooperation.
