Veteran and Family Caregivers Resource Fair
Supercharge Your Caregiving

In honor of National Family Caregivers Month, the W.G. (Bill) Hefner Medical Center is hosting the Annual Veterans and Family Caregivers Resource Fair.

This event is an opportunity to provide Caregivers with information on resources and programs that are available within the VA and Community to help support Caregivers of Veterans. The event also provides us with the opportunity to recognize and thank VA Family Caregivers!

This year’s theme “Supercharge Your Caregiving” brings attention to our Caregiver superheroes who manage medications, appointments, family and jobs. How can family caregivers handle it all? Even superheroes need tools and support!

Date: November 9, 2018
Time: 10 a.m. to 2 p.m.
Location: Salisbury VA Medical Center, Building 6 Social Room and Learning Resource Center
