VR&E Training Programs Subsistence Allowance Rate Increase
As of October 1, 2015

In some cases, a veteran requires additional education or training to become employable. A subsistence allowance is paid each month during training and is based on the rate of attendance (full-time or part-time), the number of dependents, and the type of training. Election of alternate subsistence allowance under Public Law 111-377

As an informational addendum to this form letter, the following subsistence allowance option has been included. The law implementing this allowance option became effective in late fiscal year 2011, and is included here for use in comparing options for subsistence which may be open to the Veteran participant.

Public Law 111-377, Section 205 amended Title 38 of the United States Code, Section 3108(b), effective August 1, 2011. This change in the law authorizes VA to allow a Veteran, entitled to both a Chapter 31 subsistence allowance and Post 9/11 GI Bill Chapter 33 educational assistance, to elect to receive a payment in an alternate amount instead of the regular Chapter 31 subsistence allowance. The alternate payment will be based on the military BAH for an E-5 with dependents residing in the zip code of the training facility. Training in foreign institutions and training that is solely on-line or in-home will be based on the national average BAH.

The Department of Defense (DoD) sets BAH rates each calendar year, therefore, new BAH rates are effective January 1st each year, not October 1st. This option will be first applied on February 1st checks. BAH for full-time may be calculated at the DoD website:

- <https://www.defensetravel.dod.mil/site/bahCalc.cfm>
- Enter **year** ("2016"), **zip code** of the training facility (school, employer for OJT programs, or agency approved for work experience programs), and **"E-5"**
- Click "calculate"
- Use rate for E-5 with dependents

For training at a facility within a United States (U.S.) Territory (not solely online) identify the appropriate locality code (similar to a U.S. zip code) where the Veteran is enrolled in training.

Verify that the site is located in one of the U.S. Territories under which the Monthly Housing Allowance under the Post-9/11 Chapter 33 is payable: American Samoa, Northern Mariana Islands, Puerto Rico, Virgin Islands, Guam, Philippines.

Go to the Department of Defense website:

- <https://www.defensetravel.dod.mil/site/ohaCalc.cfm>
- Identify the designated locality code for the Territory using the locality code query: <https://www.defensetravel.dod.mil/site/locCodeCalc.cfm>
- Follow the steps above using Overseas Housing Allowance (OHA) rate of locality code instead of BAH rate of zip code.

The following table specifies payment of the alternate subsistence allowance that VA is calling the Post-9/11 subsistence allowance:

⁴ The quarter-time rate may be paid only during extended evaluation.

⁵ Payment for training consisting of both distance learning and courses taken at a local institution is based on the BAH of the ZIP code assigned to the local institution.
