FLIGHT SCHOOLS
Welcome to VA-ONCE

What is VA-ONCE? VA-ONCE is a new, enhanced alternative for submitting VA Forms 22-1999, 22-1999b, and 22-6553c. It is a completely Internet based application. A team of schools and RPO representatives helped to develop the requirements used to build the application.

What is needed to run VA-ONCE? To use VA-ONCE, you must be using a recent version of either the Microsoft Internet Explorer (IE 5.5 SP2 or higher) or Netscape Navigator (NN v6.02 or higher) browsers.

What is needed to submit forms using VA-ONCE? Your school must submit a Memorandum of Understanding (MOU). If you do not already have an MOU, please contact the VA-ONCE VBA Representative to acquire one. After submission and review, your Education Liaison Representative (ELR) will be contacting you with the appropriate login information. Otherwise, please click below to start VA-ONCE.
